HELP US TRANSFORM LIVES

Our vision of bringing people closer to God has been evident at numerous events where many people have become Christians and lives have been impacted by God.

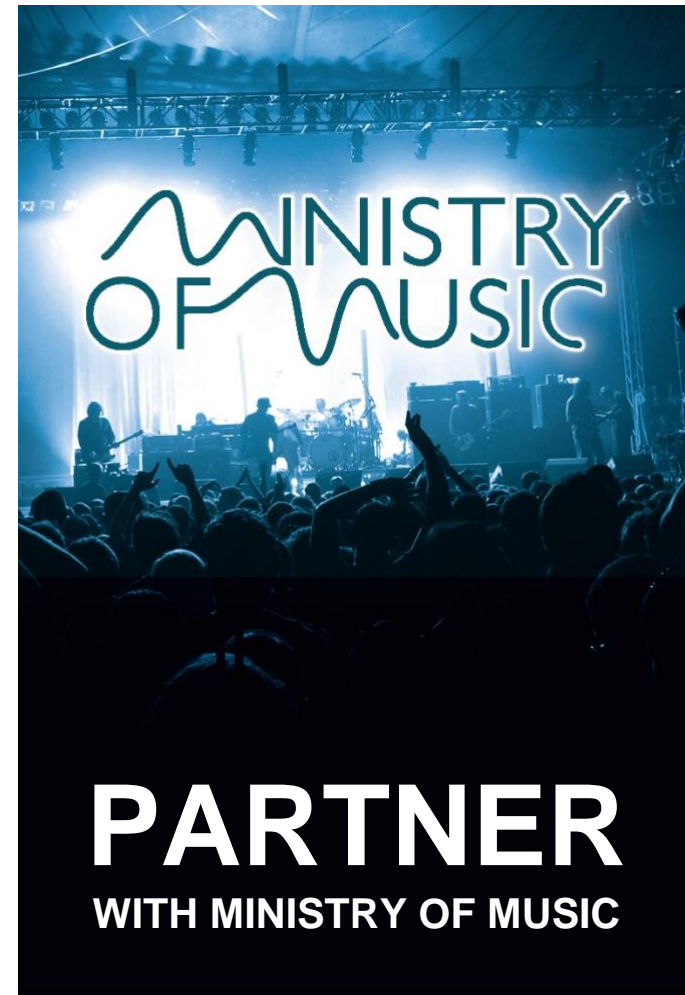

“Echo re-enforced the evangelistic thrust of the Festival, lifting up the name and person of Jesus. At least 80 people responded positively to the gospel.”

“We saw loads of young people respond to Jesus which was amazing! God was truly moving, there was over 40 people respond to Dave’s talk!”

“We thought the week had a very positive effect and we managed to make contact with about 1700 young people in the schools and 250 at the concert. The whole event was a great success and we would like to thank you sincerely for your part in the week.”

“With the fantastic impact we have seen it make on the lives of many young people, as a church we count it a great privilege to support Ministry of Music in our prayers and by giving it financial support”

THE MESSAGE IS IN THE MUSIC!

Ministry of Music is a Registered Charity which facilitates Christian artists to perform music, lead worship, provide training and give the Christian message at a wide range of events and other settings across the UK.

“Ministry of Music’s vision is to support and bring together UK Christian artists and event organisers in order to resource the church in its worship and outreach to the community, equip more Christian events with quality music and use the ministry of music to bring people closer to God.”

Music can be a powerful, relevant and inclusive way to spread the Christian message in today’s society, particularly with young people. Whether at a community outreach event, café church evening or school mission music can reach those who might never step foot in a church.

Our partnership with Compassion UK (child sponsorship ministry) has also enabled us to help children be released from poverty, in Jesus’ name, across the world.

“I am delighted that Ministry of Music exists to resource the church with Christian Bands and Artists for their worship and outreach.” J. John (Canon)

THE CHALLENGE AHEAD

Ministry of Music supports 30 Christian artists, has facilitated 800 Christian events, received positive feedback from numerous event organisers, received an award for its contribution to the gospel music industry, established partnerships with other Christian organisations and seen the ministry grow.

But we need your support to help us meet the demand on our limited resources.

Partner with Ministry of Music and help us meet this challenge.
